## About Me

Current college student working on B.F.A degree seeking to get graphic design experiences through an internship. Skilled in Adobe Creative Suite, web design, typography, illustration work, and physical book making. Social media savvy, posses excellent customer service skills, skilled at Microsoft Office, and fluent in both English and Spanish.

## Education

City College of New York, Manhattan, NY  
B.F.A. Degree in Electronic Design & Multimedia

## Relevant Courses

### Typography:

Worked with fonts, created posters, and designed ABC flower book.

### Intro to Photography:

Used professional-grade film camera, developed and processed film (black and white photography), and traveled to locations for shots.

### Illustration:

Sketched/drew images such as animation and realism with Photoshop and Illustrator.

### Electronic Design:

Deisgned a phone app, infographic on the subway, and a beauty book.

### 2D Imaging and Illustration:

Created unique collages and art using Adobe PhotoShop.

### Intro to Multimedia:

Utilized basic HTML and CSS to create simple websites.

### Design for the World Web 1:

Created websites while developing skills to make them interactive.

## Work Experience

### Purgatory Pie Press, NY

Fall 2016

Worked under pressure, collaborated with team members, assisted customers with and meeting deadlines, by using hand-set wood and metal type and using a letterpress machine to create prints.

### Borough of Manhattan Community College, NY

2016 - Present

Work with teams, filmed training videos, meet deadlines, presenting information to students/staff, and provide, customer services.

## Other Experience

Makeup artist: As an intermediate-level make up artist, I have done work for a few clients and filmed makeup tutorial videos for YouTube.
